

Thank you for choosing Sweetwater Pediatrics for your child's care. We'd like to tell you a little about our practice: WELL CHILD POLICY

- Well visits are conducted when a child is feeling well and intended to prevent health problems.
- A well visit includes review of medical history, screenings of overall health and development. Preventative health counseling, immunization review and administration.

IF DURING THE VISIT THERE ARE ANY ILLNESSES OR OTHER PROBLEM-ORIENTED ISSUES THAT MAY REQUIRE FURTHER EVALUATION OR MANAGEMENT (ex: ADHD, Depression, Anxiety, Ear Infection, warts, pain, acne, etc.) THE WELL CHILD VISIT MAY BE RESCHEDULED. IF THE PROVIDER'S SCHEDULE PERMITS, ADDITIONAL CONCERNS MAY BE ADDRESSED IN CONJUNCTION.

- Sweetwater Pediatrics follows clinical practice guidelines published by Bright Futures and the American Academy of Pediatrics.
- Well Child Check Schedule
  - Newborn (2-5 days of life)
  - 1 Month
  - 2 Month
  - 4 Month
  - 6 Month
  - 9 Month
  - 12 Month
  - 15 Month
  - 18 Month
  - 24 Month
  - 30 Month
  - 3-18 Years Annually
- Routine immunizations are provided at each well child visit, based on CDC/ACIP guidelines.
- Missed, no showed or cancelled appointments with less than 24 hours' notice may result in a \$25.00 fee.
- Multiple missed appointments or late cancellations may result in discharge from the practice.
- Non-compliant patients are subject to termination from the practice. (ex: no current well visit, not adhering to follow up schedules, same day only appointments.)
- Well Child Check appointments reminders are broadcast by Phreesia, and reminders notifications are sent 24-48 hours prior to scheduled appointments.
- Pre-visit screening procedures are broadcast via Phreesia for all scheduled well child checks. In the event a parent/guardian does not complete screenings prior to the visit, it is requested you arrive 15 minutes prior to the appointment to complete them on paper.
